

Patronship has its privileges.

In addition to a sense of pride and participation, your patronship investment in Carbondale Community Arts will yield:

ARTiFACTS – a newsletter reporting the goings on at CCA, items of cultural interest and special opportunities for CCA Patrons;

Refrigerator Art – a periodic "culture calendar" for easy reference; and

The satisfaction of knowing that you're supporting special events, educational projects and arts initiatives that work to build culture, celebrate diversity, connect communities, create economic opportunities, and increase options for social growth and progress through programs like:

Southern Arts Fund * Arts & Public Policy Group * All Southern High School Summer Music Theater Project * S.I. Music Fest Art Fair * ArtWorks in Schools Public Art Program * Youth Employment in the Arts * Civic Center Corridor Gallery * Poetry Out Loud * and special programs like New Harmonies

Thanks for your help. We'd be artless without you.
